NATIONAL COURT REPORTING

1 up front all night. So we decided to
2 call the ambulance. That way I can
3 go up through the bay area and get
4 seen quicker and just get it all over
5 with.

6 Q. Okay. And when you said
7 she and we, are you speaking of you
8 and your mother only that had this
9 conversation, or was anyone else
10 present for that conversation?

11 A. A lot of people were
12 around. I don't know who overheard
13 it, but I was speaking to my mother.

14 Q. Okay. At any time did you
15 get into your the mother or father's
16 vehicle?

17 A. No.

18 Q. And after the ambulance
19 arrived did you speak to the
20 paramedics by yourself or were other
